Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Monday 23 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Overnight mist and fog. Tuesday, warm sunshine developing, dry.

This Evening and Tonight:
A dry and bright evening away from coasts where low cloud and mistiness is likely. Clear spells overnight inland and, with light winds, mist and fog patches are expected to develop. Minimum temperature 9 deg C (48 deg F).

Tuesday:
Overnight, mist, fog and low cloud should clear through the morning to leave a dry day with some good spells of warm or very warm sunshine. Light winds. Maximum temperature 24 deg C (75 deg F).

Outlook for Wednesday to Friday:
Wednesday and Thursday continuing to be warm with sunshine inland and some cloud at the coast. Friday will see some fresher conditions arrive but this will clear coastal cloud.
